Charcoal

Oatmeal

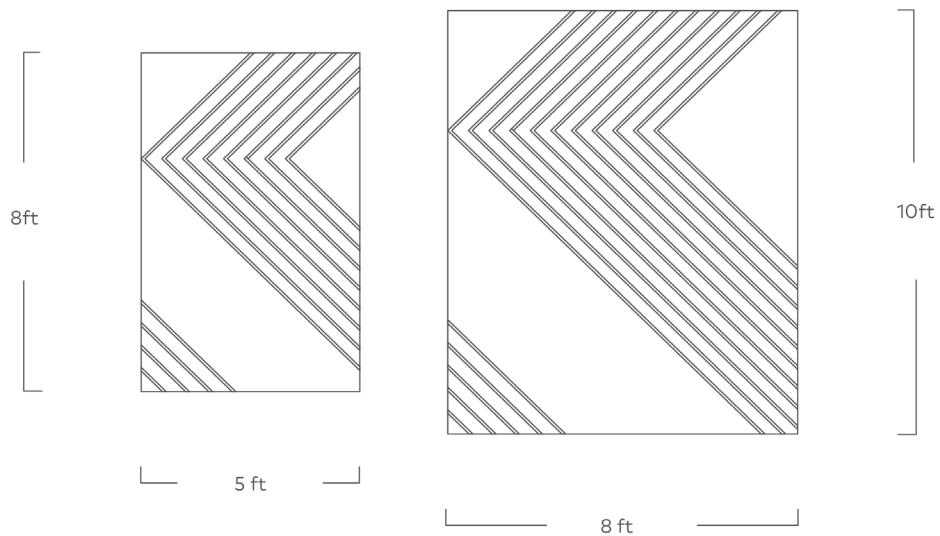

Lilac

The Avro is a hand-knotted rug with a subtle textured pattern designed to create understated tonal variations. Lending to a minimalist style, the Avro creates an organic foundation for any space. The Avro name and geometric lines pay homage to the Canadian airplane design that shares its name. Handcrafted in India using New Zealand wool, it is available in two sizes and three warm neutral colorways. Perfect for entryways, living spaces and bedrooms.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.
