The Square Porter Coffee Table offers an expansive, low-profile surface with refined, modern elements. It features a veneered wood top and a raised, solid wood edge detail with rounded corners. The eye-catching base features an architectural arrangement of two, powder-coated metal triangles. Part of the Porter Series, it is designed to nest with the Porter End Table.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.

Porter Coffee Table - Square

- Raised, solid ash or walnut rounded edge detail.
- Blonde and black colourways have wood edging that is 100% FSC®-Certified in support of responsible forest management (FSC® 092551).
- For strength and stability, table surface is a plywood core with real wood veneer in ash or walnut.
- Water-based, clear coat finish.
- Matte black, powder-coated, solid tubular steel base.
- Bumpers on the bottom of base to protect hardwood floors.
- The Porter Series is constructed with a combination of solid wood and wood veneer components, each with its own distinct grain pattern and coloring. These variations make each design natural and unique.
