Androgyn Side Table, Ø40

BY DANIELLE SIGGERUD

Perfectly proportioned, the Androgyn Side Table balances a rounded marble tabletop on a powder coated steel base that features wide, flat legs, laser-cut for precision. The architect-designed piece is offered in a number of materials that can be co-ordinated or contrasted as desired. The latest addition to the collection is a tabletop in Emperador marble, a richly veined marble with intense brown tones, as well as calcatta viola, already known from the Plinth Collection. Carefully selected for its inherent beauty and light-reflecting qualities, the different marble tops provide a top provides a tactile and natural contrast to the sleek metal.

BY DANIELLE SIGGERUD

A beautiful and practical furniture design that makes clever use of craftsmanship and tactile materials, the simple silhouette of the Androgyn Side Table is characterised by opposites. The pure use of materials contrasts with a refined silhouette of solid and soft lines, living up to its name thanks to its combination of masculine and feminine characteristics. The pairing of rich oak – with a natural or dark stained finish – walnut and Kunis Breccia stone creates a distinctive design customisable to any and every interior style.
