The award-winning Branch Modular Organization System effortlessly blends mid-century style with versatility for a modular piece that gives you an infinite number of elegant storage options for home, office or retail environments. The design features varying configurations that can be transformed into a wide range of organization or display units including bookshelves, desks, and wardrobes. Add-ons like closed-door cabinets allow you to further customize the size, layout, and function of the system to perfectly suit your space. Thoughtfully refined details, such as rounded edges on the shelves and frosted door fronts, soften Branch's aesthetic and enhance its architectural style. Straightforward installation means you can spend more time perfecting your vision and display and less time stressing over instructions.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Branch-1 Entryway Unit

- Winner of the Architectural Digest Cleverest Award for functional, innovative product design.
- Comprised of: 2 Branch Uprights, 2 Slatted Shelves, 1 Shelf, 1 Hook Rail, 1 Side Mirror, 1 Side Tray and a set of 3 Single Hooks.
- Additional Add-Ons may be purchased to customize the configuration.
- Components can be adjusted vertically in 2.5" increments.
- Solid ash Uprights, Slatted Shelves, Hook Rail and Side Tray are all FSC®-Certified in support of responsible forest management (FSC® 092551).
- Assembly required. All hardware and instructions provided.
- CARB Phase II, ANSI-BIFMA, and TSCA Title VI Compliant.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
