A modern update to the classic Gus* Modern Jane Series, the Jane 2 Loft Sofa brings the design's iconic mid-century style to a more compact scale. Piped upholstery edges and button-tufted cushions add distinctive detail, while refined proportions and a streamlined footprint make it ideal for smaller spaces. An inset wood base, available in light or dark finish, creates a sense of weightlessness that maximizes light and space. The frame is constructed with kiln-dried FSC®-Certified hardwood in support of responsible forest management.

Qualified design trade professionals may be eligible to join our Trade Program and receive special pricing and access to our COM and customization solutions on all designs. Minimum order quantities may apply. To learn more or to find out if you qualify, email trade@gusdesigngroup.com

Jane 2 Loft Sofa

- 72" length sofa offers the signature Jane 2 design in a streamlined footprint, ideal for compact living spaces.
- Seat and back cushions are button tufted and have piped edge detailing.
- Reversible seat and back cushions are crafted with high resilience polyurethane foam covered in a Dacron wrap.
- Inset solid Ash wood base with walnut or natural finish features non-marking feet.
- Inner frame is kiln-dried FSC®-Certified hardwood (FSC® 092551). By purchasing this product you help take care of the world's forests. Find more information at www.fsc.org
