

Monocle Table Lamp

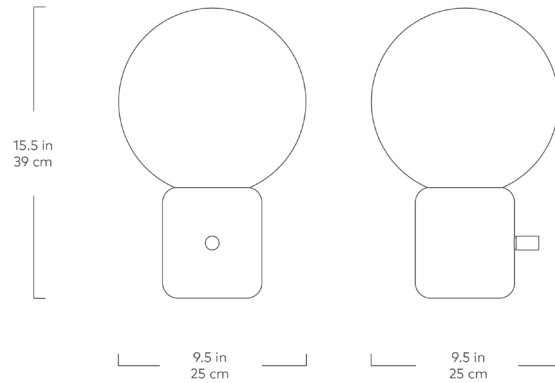

Cork
Carbonized

The Monocle Lamp takes a minimalist form in an unexpected direction by setting a gorgeous globe shade atop a base crafted from cork. The result is a captivating accent light that projects warmth whether it's on or off. Subtle details like a simple, knurled knob for controlling dimmer intensity and a braided fabric cord contribute to make this design a true original. Pairs cleverly with the Callisto Lamp.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Monocle Table Lamp

- Translucent glass globe shade securely screws into base.
- Crafted with 100% natural cork which is a durable, eco-friendly and fully sustainable material.
- Solid metal, dimmer knob with a cross knurl pattern allows for smooth, precise control of lamp brightness.
- Twisted, black fabric cord.
- UL Listed.
- Recommended lightbulb is a 60W bulb or LED equivalent.
- Cork is a natural material, with variations in granule pattern and colour that make each design unique.
- Exposure to sunlight will result in lightening of the cork material.
