Kona Series

Derived from the Japanese word for corner, our Kona series is inspired by traditional Japanese design aesthetics and 'low living'. The Kona Daybed is crafted from sturdy, FSC™ Mix certified oak veneer and features a low headboard and raised back panel. Use it either as a single bed or turn it into a luxurious daybed with our tailor-made Kona Mattress, which makes a comfortable, firm seat for lounging. Let it be accompanied by the simple and elegant Kona Low Table for a practical bedside stand or fully embrace 'low living' by using the Kona Low Table as a coffee table for when you're lounging on cushions or on the floor.
